Meet

Bea

Bea is a patient at GOSH and decided she wanted to do some fundraising at school. ★

After hearing that JM Barrie gifted the rights of Peter Pan to the hospital, Bea wrote a fantastic letter to her teachers to ask them if they could help her to organise a Peter Pan-themed dressing-up day at school. You can read more about this gift at gosh.org/peterpan.

Everyone at Bea's school got involved and had an amazing fundraising day. It was a huge success. 'My favourite part was counting the money at the end of the day to see how much we raised,' says Bea. 'I was very happy that I raised more than £630!'

Thank you, Bea! If you've been inspired by Bea's story, why not write your own letter to your school and see what you can do together to help GOSH?

**"GOSH is important to me because, when I was younger, I had a very rare illness that could only be treated at the hospital. I spent several years in hospital and had a bone marrow transplant that saved my life. By raising money, I could help other children to get better like me."
GOSH patient, Bea**

Fundraising ideas

There are so many different ways you can get involved and raise money to support seriously ill children at GOSH. Here are just a few ideas to get you started – we're sure you can come up with plenty more!

Hold an own clothes day

Uniform-free days are always popular. They're easy to organise and a fantastic way to raise money for GOSH!

Sponsored games

Students can have fun, raise money and learn along the way! Our Body Challenge sponsored game teaches children about the hospital and tests their knowledge of the human body. We also have a picture challenge, spelling challenge and a fiendish crossword challenge. Pupils can ask their families and friends to sponsor them for taking part.
