MESSAGE FROM OUR CO-CHAIRS

TARA FALK AND TOM COX

Thank you all for joining us here this evening at the Love GOSH Ball in aid of Great Ormond Street Hospital Children's Charity (GOSH Charity). We are delighted to welcome you and thank you for your support to help raise vital funds towards the new state-of-the-art Sight and Sound Centre.

This evening would not have been possible without the continued efforts of our brilliant committee, Anthony Bull, Nadia Clinton, Jason Collins, Lorraine Denny, James Furlonge, Alex Goward, Janet Henderson, Peter McLoughlin, Lucy van den Broek, Isabelle von Ribbentrop, Jayne Walder and Susan Wells. It has been a pleasure to work with you all and we thank you for working tirelessly to make tonight a huge success.

A massive thank you must go to our lead sponsors Brit Insurance and RenaissanceRe and co-sponsor Delta Air Lines for their generous and continued support of Love GOSH.

We would also like to say an extra special thank you to Claire Vincent, our parent speaker this evening. We are delighted to have Claire with us; thank you for sharing Mia's story and telling us about her time at GOSH.

Love GOSH is continuing to support the development of the Sight and Sound Centre at the hospital. With your help, we hope to fund two child-friendly audio testing rooms in the new centre which will help to transform diagnosis and treatment and make time spent at the hospital much easier for both children and their families. Everything we raise tonight will go directly towards supporting children treated at the Sight and Sound Centre, so please do give generously. You can show your support by entering our luxury balloon raffle, bidding in the live and silent auctions, or simply by donating to this fantastic cause. Over the last three years, Love GOSH has raised an incredible amount and tonight we hope to surpass an amazing total of £1 million!

It is our pleasure to welcome you all and we hope you have a fantastic evening.

A MESSAGE FROM OUR CHIEF EXECUTIVE

LOUISE PARKES

It is with great pleasure that I welcome you this evening to Love GOSH.

My sincere thanks go to co-chairs Tara Falk and Tom Cox and the Love GOSH committee, without whom this evening would not have been possible. They have worked tirelessly to ensure the continued success of the fantastic event – thank you for your enthusiasm and support.

I would like to thank our lead sponsors Brit Insurance and RenaissanceRe and our co-sponsor Delta Air Lines for their very generous support. Thank you also to the companies and individuals who have donated wonderful prizes to our auctions and balloon raffle tonight. We are hugely grateful for your generosity. Thank you also to our fabulous host Rob Brydon and musicians Rob Green and James Morrison for generously giving their time to be here and entertain us.

The money raised this evening will help fund two audio testing rooms in the new Sight and Sound Centre. The state-of-the-art centre, due to open later this year, will bring together all the specialist services needed by children with severe sight and hearing problems, transforming their hospital experience. These testing rooms will dramatically improve diagnosis and treatment to ensure the overall experience for children at the hospital is a much easier one.

On behalf of the charity and the hospital, thank you so much for your generous support. I hope you have a fantastic evening.

Claire with her daughter Mia

PARENT SPEAKER

MIA'S STORY

Only a few hours old and having trouble breathing, Mia was rushed to GOSH for further investigation. The Cardiac Intensive Care Unit doctors discovered she had a life threatening heart defect called Transposition of the Great Arteries and Mia's family were told she needed major open-heart surgery to fix it.

At four days old Mia underwent open-heart surgery to correct her heart defect. Although her recovery from surgery was textbook, further investigations and tests were needed as Mia had many clinical features of CHARGE syndrome – a rare genetic condition that can affect different parts of the body; the most common problems are with hearing, vision, the heart, airways and growth.

Mia's family then learnt that she is severely visually impaired, severe to profoundly deaf and will struggle with walking due to missing the balance organs in her inner ear. Now aged eight, Mia regularly visits GOSH where she has had multiple procedures, screening, scans and therapies throughout her life. Mia's mum Claire is here with us this evening to share her story of how Mia continues to exceed everyone's expectations and remains determined to succeed.

We would like to say a huge thank you to Claire for joining us this evening and sharing Mia's story with us.

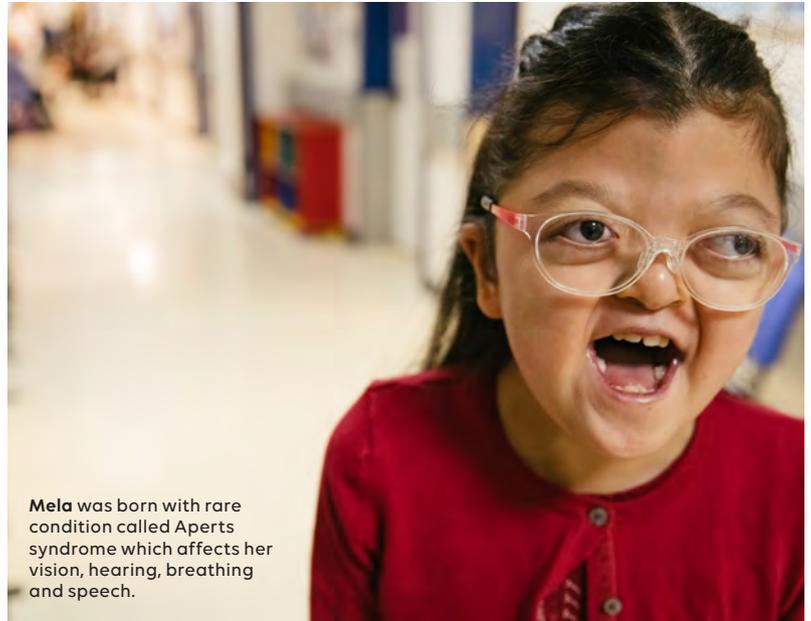

WHY WE NEED YOUR SUPPORT

OUR NEW SIGHT AND SOUND CENTRE

Love GOSH is raising funds for two child-friendly audio testing rooms in the new state-of-the-art Sight and Sound Centre which will help to transform diagnosis and treatment and help make time spent at the hospital much easier for both children and their families.

Set to open in 2020, the new GOSH Sight and Sound Centre will be the UK's first dedicated facility for children with sight and hearing loss. Children and young people with hearing and sight loss, are the largest group of outpatients to visit GOSH, with around 8,000 patients seen each year. The new centre has been designed to ensure it best supports the needs of these children.

In one dedicated building, the centre will house specialist outpatient

It will include state-of-the-art soundproofed booths for hearing tests, an eye imaging suite, a dispensing opticians and other testing facilities.

This specialised facility will help to dramatically improve the overall experience of children with sensory loss and create a welcoming and comfortable environment that is fully accessible and easy to navigate.

ONE WEEK IN EAGLES NEST, A STUNNING SIMPSON EXCLUSIVE VILLA IN PAXOS, GREECE FOR EIGHT GUESTS

KINDLY DONATED BY SIMPSON TRAVEL, GRAHAM SIMPSON AND PANOS BOATS & TRIPS

Enjoy a week of ultimate luxury in one of Greece's most beautiful Islands. As you follow the narrow, winding roads down to Eagle™s Nest, the intimate landscape of shady olive groves and old stone terraces completely fails to prepare you for the scale and grandeur of the view from this spacious villa.

Nature at its most expansive is laid out before you and with the towering white cliffs of Erimitis alongside and nothing but blue sea, sky and sunsets ahead, a cooling dip in the infinity pool feels like a swim on the edge of the world.

Often a property with such extraordinary views pales into insignificance, but Eagle's Nest was carefully designed to complement its unique location with many comfortable, cushioned places to lose yourself in the patterns played out in the water below. As well as landscaped gardens, spacious terraces

and stonework the colour of cream, you can slide back glass panels and open out the whole front of the villa to make the inside space part of the great outdoors too.

To make your holiday of a lifetime even more special, you can experience an incredible boat trip thanks to Panos Boats and Trips. Enjoy a private trip or board one of their cruises to take in the stunning views around Paxos and Antipaxos.

Terms and conditions: Terms and conditions: Seven-nights' accommodation ONLY at Eagles Nest from Monday 1st June 2020. Date not negotiable. Maximum of eight people and we would recommend no infants up to four years of age because there is some steep terrain. The offer includes all the services for the villa but does NOT include flights, transfers or car hire and if a cook is required this would also need to be paid by the winner. Simpson Travel can assist in booking car hire, transfers and flights if required. Panos Boats and Trips: Groups of up to 10 can take a private boat with a captain and sailor on board. Families of up to 4 can take a private boat (self-driven without a licence) or up to 10 tickets can be provided for their regular cruises. Subject to availability. Must be booked in advance.

The following terms and conditions govern the sale of all the property offered (as amended by any posted notices or oral announcements during the auction):

Unless otherwise agreed, the sale of the lots will result in contracts made between Great Ormond Street Hospital Children's Charity and the buyer.

The buyer shall be the person with the highest bid accepted by the auctioneer.

The auctioneer has the right to refuse any bid and to advance the bidding at his absolute discretion, and in the case of error or dispute, to put an item up for bidding again. If any dispute arises after the sale, the sale records of Great Ormond Street Hospital Children's Charity shall be conclusive in all respects.

If the auctioneer determines that any opening bid is not commensurate with the value of the property, he may reject the sale and withdraw the property from sale, and, if having acknowledged an opening bid, he decides that any advance thereafter is insufficient, he may reject the advance.

All lots are sold with all faults and imperfections and errors of description. Statements made by Great Ormond Street Hospital Children's Charity on the website www.gosh.org or in the catalogue, or made orally or in writing elsewhere, regarding the authorship, origin, date, size, medium, attribution, genuineness, provenance, condition or estimated selling price of any lot are merely statements of

Lots may be offered subject to reserves.

Any lot may be withdrawn by Great Ormond Street Hospital Children's Charity at any time before the actual sale.

Subject to the auctioneer's discretion, the striking of the hammer marks the acceptance of the highest bid and the conclusion of a contract for sale between Great Ormond Street Hospital Children's Charity and the buyer.

Following the sale, the buyer must provide Great Ormond Street Hospital Children's Charity with his or her permanent address.

The buyer will not acquire title to the lot until amounts due to Great Ormond Street Hospital Children's Charity have been paid for in full. All physical lots are to be collected on the day of the auction, but no lot can be taken before it has been paid for in full. From the time of collection, the lot will be entirely at the buyer's risk. If the lot is not removed, it may be sent by Great Ormond Street Hospital Children's Charity at its discretion to storage for the account, risk and expense of the buyer, and such charges will then be added to the purchase price of the lot.

Payment can be made by credit or debit card. CAF vouchers, Electron and Diners cards are not accepted.

In no circumstances will Great Ormond Street Hospital Charity rescind any purchase made or refund the amount paid in respect of any lot.

Neither shipping nor delivery costs are included in the price at which a lot is knocked down by the auctioneer to the buyer.

If the foregoing conditions and other applicable conditions are not complied with, in addition to other remedies available to Great Ormond Street Hospital Children's Charity by law, including, without limitation, the right to hold the buyer liable for the bid price, Great Ormond Street Hospital Charity, as its option, may either (a) cancel the sale, retaining as liquidated damages all payments made by the buyer or (b) resell the property on three days' notice to the buyer and for the account and risk of the buyer, either publicly or privately, and in such event, the buyer shall be liable for payment of any shortfall between the original sale price and the price achieved upon resale, all other charges due hereunder and any incidental damages.

These conditions of sale, as well as the buyer's and Great Ormond Street Hospital Children's Charity's respective rights and obligations hereunder, shall be governed by and construed and enforced in accordance with the Laws of England and Wales.
