Thank you for choosing to support Great Ormond Street Hospital Children's Charity.

Why we need your help

Great Ormond Street Hospital is a place where amazing things happen every day. The money raised by schools like yours is absolutely vital in helping the hospital deliver the best possible care to its patients.

Your fantastic support will help us to fund the building of bigger wards, where children will have more space to get well and mums and dads will be able to stay with them night and day. It will also help the hospital to buy life-saving equipment and find better cures and treatments for our patients.

Your fundraising

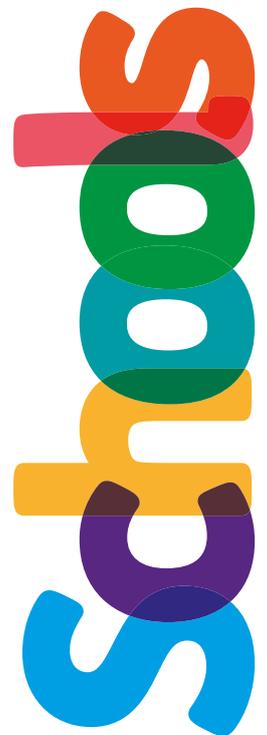

Our sponsored games are a great way to link learning and fundraising! Ask pupils to complete the challenge either in school or at home in return for sponsorship.

The Picture Challenge is aimed at foundation level and key stage 1. Friends and family can sponsor pupils to complete this fun and creative challenge, in which pupils draw or find pictures of items beginning with each letter in the word 'hospital'.

The Body Challenge is aimed at key stage 2 and 3. Pupils can learn about the human body and get sponsored to complete The Body Challenge wordsearch. Extend the challenge by setting a class quiz to find out who knows their metacarpals from their metatarsals.

The Spelling Challenge is suitable for all ages because you set the spellings! Set a spelling challenge to learn up to 30 spellings and ask your pupils to get sponsored for the number they get right. Extend the challenge by seeing how many words your pupils can find in 'Great Ormond Street Hospital' and get sponsored for each word they find.

The Crossword Challenge is a great way to challenge pupils' knowledge of the body and Great Ormond Street Hospital and is suitable for key stage 3.

What next?

Send a letter home to their parents to let them know what you're doing, or include it in your school newsletter. Give each pupil a worksheet to complete. Display our poster in your classroom to remind pupils to bring their sponsor money in, or ask their friends and family to make their online donations by a specific date.

There are two ways you can collect sponsorship money:

- Go online and set up a fundraising page at www.justgiving.com/greatormondstreet – it's a really quick and easy way to collect donations securely. Simply give all your pupils and their parents your personalised web link and ask them to make their donations there.
- Students can use the sponsorship form included with their worksheet. Extra forms are available on the website at gosh.org/schools or you can photocopy the one on the back of this document.
