# WELCOME

## Welcome to our Christmas card and gift catalogue.

We hope you like the range of cards and gifts we've put together for you this year. There are some **brand-new** and exclusive options, as well as some of your well-loved favourites, all of which have been chosen for their **excellent quality** and **value for money**.

At Christmas, time spent with the people you love is precious. For the seriously ill children at Great Ormond Street Hospital (GOSH) who are unable to go home for Christmas, this is true more than ever.

Despite the greatest challenges a child can face, the hospital is a place where being sick does not always mean being sad. And it's a place where you'll find some of the bravest people you could ever meet. Children like Becky, who was diagnosed at GOSH with Juvenile Idiopathic Arthritis (JIA) when she was just four years old. Following years of managing her condition, and a period of remission, Becky fell ill over Christmas two years ago and was rushed into GOSH with a rare and potentially fatal complication of JIA. She spent three days on a life support machine

in intensive care before moving on to Penguin Ward, where she spent the next month slowly recovering. Now aged 13, Becky loves playing the French horn and has a place in the National Children's Orchestra of Great Britain.

We're really pleased that Becky has designed a Christmas card for us this year (opposite), inspired by both Penguin Ward where she was treated and our brand-new adorable Penguin soft toy on page 7.

This **extraordinary** hospital has always depended on charitable support to give seriously ill children the best chance to fulfil their potential. By buying your cards and gifts from us, you are helping to fund ground-breaking research, advanced equipment, child and family support services including accommodation for parents to stay close by and the rebuilding and refurbishment of wards and medical facilities.

You can buy all the items in this catalogue and many more, securely and easily at our online shop: **[gosh.org/shop](https://gosh.org/shop)**. Ordering online gives you much more choice, including e-cards and gift cards, and most importantly, means that **more money can go to the hospital**.

Help the families at Great Ormond Street Hospital be together this Christmas.

**Thank you and happy Christmas to you and your family.**

Alison Harper, Editor

Special thanks to Becky and her family for allowing us to photograph them for our catalogue.

# CHRISTMAS CARDS

**Becky with her penguin  
Christmas card design**

"Great Ormond Street Hospital saved my life and the research they do there helped to develop the drugs that will help me to get better. Ten years ago, these drugs weren't available and without them I would still be really sick. I am grateful to everyone for helping to raise money for the hospital."

**At no extra cost to you, increase your gift by 25p for every £1 you donate using Gift Aid.**

☐ **I am a UK taxpayer** and would like Great Ormond Street Hospital Children's Charity to reclaim tax on the donations I have made in the past four years and any future gifts I make. I understand that if I pay less Income and/or Capital Gains Tax than the amount claimed on all my donations in that tax year (6 April–5 April), it is my responsibility to pay any difference.

☐ **Sorry, I don't pay tax.**  
Please notify the charity if you want to cancel this declaration, change your name or full home address, or no longer pay sufficient tax on your Income or Capital Gains. If you are a higher-rate tax payer, you can claim personal tax relief via a Self Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

**Payment method: Please make cheques payable to GOSIPL. Please do not send cash by post.**

A young woman with brown hair and black-rimmed glasses is sitting on a grey cushion on a wooden floor. She is wearing a dark blue fuzzy sweater over a white shirt with a penguin design and a red and white striped scarf. She is holding a white rectangular sign with both hands. To her left is a large grey and white penguin plush toy wearing a red and white striped scarf. In front of the penguin is a small elf plush toy in a blue suit and red hat. To her right is a decorated Christmas tree with lights and ornaments, and a red gift box with white snowflake patterns. The background shows a light-colored stone fireplace mantel.
