# Family quiz

**Thanks so much for hosting a quiz to raise money for Great Ormond Street Hospital (GOSH).**

**This pack includes some top tips to host your quiz, how to fundraise and of course your questions and answers to make hosting your quiz as easy as can be.**

## Make it your quiz

Right now, GOSH is playing a role in the national response to COVID-19 and your quiz has never been more important to help improve the lives of seriously ill children.

We know how hard it can be to keep the kids entertained at the moment, but hopefully this quiz will be fun for everyone! Whether you're just doing it with the kids at home or planning on getting other families virtually involved, pin down a date and time. You've got your questions sorted in this pack so you're almost ready to go. We've kept the answer page separate from the questions so if you want to get involved too, you can. No peeking though!

If you're doing it at home with the people you live with, get them all some paper and pens and get going. They can swap papers to mark their answers or you could collect them in and mark them yourself.

Don't forget to let everyone know how they can donate – there's a few ideas below.

We're living in a virtual world right now and whilst we're all staying apart, it's easy to stay connected. If you're doing your quiz with other households, just choose your preferred video chat and get hosting. At the end of the quiz, or even each round, you can let them mark their own or perhaps send you a picture of their answers to mark yourself. Either way, keep track of the scores and make the winner feel special!

You know your kids better than anyone so add any rounds they might like or shorten the quiz as you see fit. You could even break it up over a couple of days if it's too much for them. Music and picture rounds are always popular!

## Raising some money

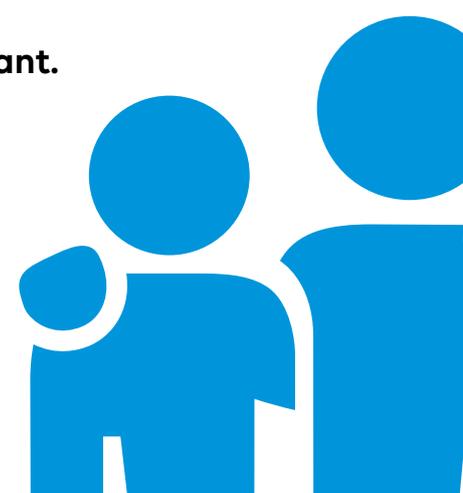

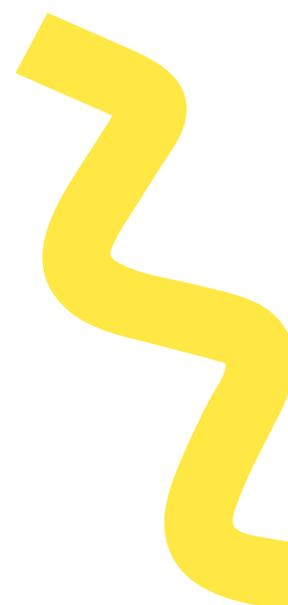

GOSH is currently treating more children from hospitals across London, with resources becoming increasingly stretched. Now, more than ever, the hospital needs the support of the charity to continue to deliver the best, life-changing care for seriously ill children. By hosting a quiz and fundraising for GOSH with your family and friends, you'll be making a difference to the lives of seriously ill children. Here are some ways to fundraise:

- You can donate directly to the campaign at [JustGiving.com/campaign/hostaquizforGOSH](https://www.justgiving.com/campaign/hostaquizforGOSH)
- If you've invited lots of people (virtually!) to the quiz then you could set up your own fundraising page at [JustGiving.com/greatormondstreet](https://www.justgiving.com/greatormondstreet) and share with them. You could suggest they donate what they might have spent at another quiz or outing.
- Share with them how to text and make a donation\*: Text **GOSHQUIZ** to **70125** to donate £3  
To donate any other amount, text **GOSHQUIZ £[amount]** to **70125**.
- Want to get the kids raising money? They could do chores around the house to pay entry for their quiz or even make snacks for the family for small donations on the night!

## Have fun!

**Talking to friends and family has never been more important.  
Enjoy yourselves and make an evening of it!**

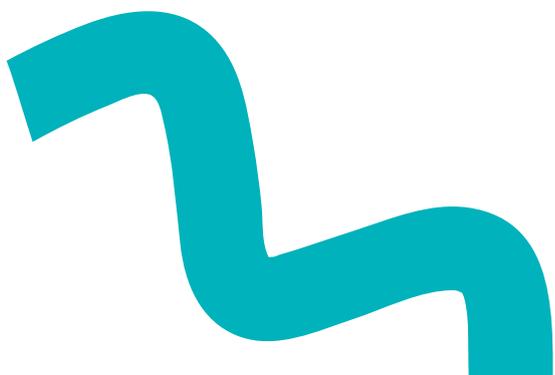

\*Text to donate Terms and Conditions: Texts will be charged at your donation amount plus your standard network message rate. Great Ormond Street Hospital Children's Charity will be charged a fee of 5% of each donation. You must ask the bill payer's permission before making a donation. If you are under 16 years of age, you must have your parent or guardian's permission to send a text donation to us. You cannot donate using this service from a Channel Island, Isle of Man or other non-UK mobiles. No personal information will be shared with us as a result of making a donation. Great Ormond Street Hospital Children's Charity, Registered Charity no. 1160024.

# Round 1
